Who Am I?

1. Very early in my career, I worked as the Sales and Marketing Director for the Nippon Center, a Japanese Cultural Center and authentic Japanese restaurant in Greenville. .
2. In College, I went to the Viper Room (a famous bar in LA at the time) and saw Prince.
3. While in the 10th grade, I went with my church youth group on the annual ski trip (although I had never skied). The cutest boy on the trip (a senior) offered to teach me to ski. I ended up in the ER in Banner Elk, NC, with a torn ACL, but the cute senior continued to call anyway!

President Coby Hennecy and Perrin Powell (right) present Frank Lee with a certificate for his 50 years of service in our Club. Frank is a former President of the Club, represented us at the International Convention, is a Paul Harris Fellow, and for the past 30 years, has provided orientation to new members. Frank and his wife are moving to the closer to their children and grandchildren. We will certainly miss Frank and all his contributions to our Club and community. Thank you for your service, Frank!
