

Welcome To Rotary

Tuesday
March 30, 2021

Today's Program

Today's Song:

Today's Invocation: Lindsay Garrity

Health & Happiness: Derham Cole

Today's Program: Spartanburg Sings - Terry Pruitt

Last Week's Program

The guest speaker at our last meeting was fellow member Tim Kowalski, who told us about the importance and great impact of VCOM to Spartanburg and South Carolina. Graduates from the school generally locate in medically underserved areas. He told us that choosing their location helped serve as a catalyst for efforts of the Northside Development Group.

Upcoming Programs

April 13 Carolina County Club & its impact on its membership and the community - Tim Dunlap

2021 Piedmont Science Fair Awards

University of South Carolina Upstate

If you haven't seen it yet, please check out our club's web site to see a great video that Joe Mullinax put together about the award winners from this year's Piedmont Science Fair.

For 66 years the Rotary Club of Spartanburg has sponsored the Piedmont Science Fair. This support was started by two Spartanburg Rotarians who were also scientists. It is the hope of the Club that the Science Fair inspires our future scientists.

2020 and 2021 has presented many challenges. This year's Science Fair was virtual as well as the awards ceremony.

Birthdays

- March 24 Rob King
- March 31 Wiley North
- April 1 Mary Thomas
- April 3 Ken Couch
- April 3 Justin Tidmore
- April 5 Laura Reynolds
- April 6 Louie Blanton
- April 8 Jim Reilly
