Last Week's Program

Last week we heard from the 2022 Piedmont Science Fair Winners, Cam Srivastava & Logan Kusher. The Rotary Club of Spartanburg has sponsored the Piedmont Science Fair for 68 years and sends the winners to the International Fair. Cam and Logan talked about their trip to the International Science & Engineering Fair in Atlanta, GA. There were 1760 students from 77 countries, regions, and territories there. They thanked the Club for the opportunity to meet kids from other countries and see their projects. They were inspired by the Symposia of thought leaders in the scientific community and especially by the panel of Nobel Laureates.

Anchors Aweigh

Stand, Navy, out to sea, Fight our battle cry;
We'll never change our course, So vicious foe
steer shy-y-y-y.
Roll out the TNT, Anchors Aweigh.
Sail on to victory
And sink their bones to Davy Jones, hooray!

Anchors Aweigh, my boys, Anchors Aweigh.
Farewell to college joys, we sail at break of day-ay-ay-ay.
Through our last night on shore, drink to the foam,
Until we meet once more,
Here's wishing you a happy voyage home!

President Cindy Kelly and Mary Mathes with our Science Fair winners, their mothers and members of the USC-Upstate team.

Thanks Mary for your hard work leading this project!!!
