Last Week's Program

Jennifer Patterson with SC Alliance to Fix Our Roads (<http://www.scfor.org/>) told the Club that SC has the 4th largest state road system in the country. 80% of traffic is on Interstate and primary roads. SC funds its roads through vehicle related fees. SC collects 28.75 cents a gallon in tax. Jennifer Patterson informs us that 80% of recurring revenues goes to paving. Project viewer on DOT's website provides transparency on where the money is being spent and what projects are active. One time dollars from the American Rescue Act will be used on I-26 and will shave 6 years off the timeline of this project.
