Last Week's Program

Allen Smith, President & CEO of OneSpartanburg, Inc, and fellow Rotarian, gave a presentation on the 2023 Roads Referendum. He told the Club that a vote of Yes on Nov. 7 will extend the penny sales tax for another 6 years. This will allow us to pay for over 500 road improvement projects in the county, all without debt. Cole Alverson, county administrator and fellow Rotarian, went over the problem of our crumbling roads and bridges and our legacy of underfunding maintenance. He says we have a \$500M backlog on road maintenance alone. Recently county council has upped our investment in infrastructure. Investment to date is \$82M in roads and \$10M in stormwater.
