## Last Week's Program

Our program last week was titled "Attracting, Developing & Retaining Talent in a Talent Short Market." Steve Hall of Find Great People told us of the 40 year history of FGP and how they place over 1400 people a year into jobs. Currently there are 2 jobs for every person who is unemployed. In Spartanburg County, 37% of our work force commutes from other counties. Leah Blanton explained the 3 C's of recruiting: compensation, competitive offerings, and culture. Beyond benefits, competitive offerings might include hybrid work, birthdays off, stipends for mental health or financial planning.
