Last Week's Program

Last week we heard an update on the Courthouse project from officials with Turner Construction. Jeff Owens, VP of Operations, described the local participation in this project, from the workers to the suppliers. The project includes a parking deck with over 500 spaces, an energy plant, a 300,000 sq. foot courthouse with 15 court rooms and a plaza. Move in date is October 2023 for this \$110M project. The precast concrete pieces used for the building can weigh up to 50,000 pounds. 3 cranes are on site to put up 120 pieces.
