Our Club Service

The Rotary Club of Spartanburg provides both voluntary and financial support for a number of service, educational and humanitarian efforts. Each year, the Club gives back over \$60,000 in financial support and countless hours of community service. We have sponsored the Piedmont Science Fair for 58 years covering six counties. We give \$25,000 annually in Youth at Risk grants to youth serving organizations. Dozens of our members participate in

Rotary Reader twice a year reading to elementary children and stressing education. We also ring the bell for the Salvation Army and have recently partnered with Hub City collecting books for children. We provide water filters and replacement parts for a remote village in Peru.
