AMERICAN VOICES

July On Track To Be Hottest Month Ever

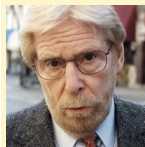

According to preliminary estimates by NASA, this July is likely to have been the hottest month ever. What do you think?

"Yeah, on Earth maybe."
GREG GILBERT • FELINE CHIROPRACTOR

"Please. That's what they say every July."
LYNDA FLOYD • BANANA ANALYZER

"Maybe this will help melt down all the plastic in the ocean everyone keeps complaining about!"
MARTIN SANDERSON • SARDINE SALTER
