CLUB STORAGE UNIT CLEANINGA group of members will be meeting at the club storage unit on Saturday, May 20th beginning at 9 am to clean out and organize the storage unit. Anyone willing to help should be at the unit by 9 am. We could use more storage shelves that can be used in a metal building in addition to the one donated by David Brown (**THANK YOU, DB!**). If you have one to donate, please drop it off at the storage unit or let Angie Kohl know so arrangements can be made to pick it up.

Special Guests

Jean Pieterse, Morgan Thomas and Laura Chung from the Interact Club at Georgetown High School will be some of our special guests on Tuesday.

ABOUT INTERACT

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. Interact clubs organize at least two projects every year, one that helps their school or community and one that promotes international understanding. Rotary club sponsors mentor and guide Interactors as they carry out projects and develop leadership skills.

Scholarship winners have been chosen from Carver's Bay and Georgetown High School. The recipients and their families will also be joining us as special guests and recognized during our meeting.
