Today's Speaker

Julie Warren - Georgetown County Digital Library

Julie is the manager of the Georgetown County Digital Library, www.gcdigital.org an online archive containing over 50,000 photographs, newspapers, maps and other historic records related to Georgetown County and the Lowcountry. The Digital Library collection has been shared with scholars, researchers, filmmakers and authors across the world. PBS, SCETV, CNN and ABC have all used photos from the digital archive, highlighting the importance of Georgetown's rich history across the globe. The GCDL was one of the first organizations to join the Digital Public Library of America, working alongside the Library of Congress, the National Archive and the Smithsonian to create a freely accessible archive of America's history and culture.

A native of Virginia and a graduate of Lee University in Cleveland, Tennessee, Julie worked for Colonial Williamsburg and Monticello before receiving her Masters in Museum Studies from the University of Newcastle upon Tyne, in Great Britain. She came to this area to work for the South Carolina State Park Service and Hampton Plantation and in 2007, she became the project manager for the Georgetown Library's newly funded digital library.

Julie has served on the board of the Georgetown County Women's Hall of Fame, the SC Federation of Museums, PALMCOP (Palmetto Archives, Libraries, Museums Council on Preservation), and the SC Baptist Convention's History Committee.

Julie's passion for history and preservation keeps her actively involved in the community with volunteering for the South Carolina Maritime Museum, the Kaminski House Museum, Hobcaw Barony, and the Wooden Boat Show.

13th Annual Shag Festival

As a reminder, our 13th Annual Shag Festival will be on King Street on April 20th.

Checks are starting to come in, competition is building up, but one team is out front and appears close to breaking it open... so get out and see your contacts!

Following the meeting, you can see Pete or Keith to get tickets, posters, and copies of the 2016, 2017, 2018 sponsor lists.

We can do this!
