## Today's Speaker

### **John Bullard, Georgetown County Chamber of Commerce**

John is the Special Projects Coordinator for the Georgetown County Chamber of Commerce. He started this position with the Chamber at the beginning of this past November. His day to day with the chamber involves recruiting new members for the chamber, managing the County's Young Professional Group and then helping organize the activities that the chamber is involved with. John earned a Bachelor of Science degree from the Darla Moore School of Business at the University of South Carolina in 2017, double majoring in Entrepreneurial Management and Marketing with a directed study in Hotel Restaurant and Tourism Management. Before starting with the Chamber in November he previously worked for a 3<sup>rd</sup> Party Logistics Company based out of Mount Pleasant called JEAR Logistics. John's most recent accomplishment is getting married to Elizabeth Roberts Bullard, a Georgetown native that introduced him to life on Winyah Bay and this small town which they now call home. When John is not working, he enjoys hunting the wildlife in Georgetown and spending as much time possible on the water.

## Rotary Club of Georgetown Foundation

As you all know, we have been working on creating a club Foundation and obtaining 501(c)3 status as a nonprofit. The committee put in place to finalize this has worked hard and is now ready to move forward with filing the necessary documents.

Before these documents can be filed, it needs to be established who the officers and board members of the Foundation will be. We need five members to begin, with each having staggered terms. There will be one 5-year term, one 4-year term, one 3-year term, one 2-year term and one 1-year term.

If you are interested in serving as an officer or board member for the Foundation, please notify Angie Kohl at 843-325-4706 or [kohl.angie@gmail.com](mailto:kohl.angie@gmail.com).
