### Doggie Paddle

#### What is Doggie Paddle?

A 501(c)3 charitable organization, umbrellaed under the Glenville Rotary Foundation, with a mission to raise funds and awareness for veterans in need of service dogs. Proceeds are used to assist with veteran's service dog expenses (fully or partially cover the cost of a service dog, assistance with vet bills, food and other dog necessities). Veterans request assistance through a simple, online application at [www.doggiepaddle.org](http://www.doggiepaddle.org).

Many people confuse therapy and emotional support dogs with service dogs. There is a huge difference and an exceptional difference in cost. Many veterans are in need of a trained service dog; however, the cost is not covered by many insurance carriers and veterans may not know where to turn to for help. Our goal at Doggie Paddle is to bridge the gap to make sure veterans get the help they need with a service dog, as well as give these special dogs purpose and a forever home.

#### Who Would Kayak and Bike 4,000 Miles?

United States Army veteran, Jimmy Thomas knows both the benefits and care a service dog can provide; his loyal Golden Retriever named Boots has changed his life forever. In hopes of helping other veterans in need of a service dog, Jimmy sets off on a one of a kind journey to get our country's attention by paddling his kayak from Upstate New York to Key West, and returning to New York by bicycle. At 61 years old, Jimmy is in great shape with exhilarating, long journeys under his belt, including a 3,500 cross-country bike trip in 2019 from Oregon to Albany and paddling a canoe the entire 444-mile length of the Susquehanna River from Cooperstown to Maryland. Jimmy is no underdog, he is ready.
