Gift Card Sales

When you buy a gift card, you not only get the full value of the card... you earn the Club additional dollars for use on Club programs and projects. If you purchase a \$100 gift card for Stop & Shop or Home Depot, you get a \$100 gift card to that store. And, because the Club uses a specific vendor to initially purchase the gift cards, the Club receives a percentage of the values of the card back from the Vendor. A Home Depot card may pay the Club back 3%, or Lands End may pay %10. Again - You get Full Value... the Club gets varying percentages back from the Vendor. It will vary by card.

What doesn't vary is the fact that the Club gets money when you use the Gift Cards on things you'd spend money on anyway – Amazon, Whole Foods, Dunkin Donut, Stop and Shop... and so many other stores and services.

Contact Norma Peterson for more information or to purchase gift cards.
