

Rotary

Club of Groton

I would like to welcome everyone to the April 16th newsletter. This week we attended a wonderful event with Navy Federal Bank and NSB New London Homes. This event was Military Children Appreciation Day, we printed out 30 Amber Alert Cards for the children that attended. Thanks go out to Angela and Shannon from Navy Federal for letting us join them. Thank you too Jonathan and Bronwynn from NSB New London Homes for welcoming us to their event. We are so happy to make some new contacts and look forward to a continued partnership, possible return on the 30th of April will let all know. Nothing new at today's business meeting, Stan Cardinal did help us sponsor a young lady from the Marine Science Magnet School in Groton to The Next Generation Seminar with District 7980. We look forward to hearing about her experience Thank You Stan.

Finally I would like to say we need everyone's help on this year's golf tournament please help us find sponsors and or sponsorships (tee, corporate, scholarship), all help small or large is very appreciative. We also need raffle prizes for the raffle so nothing is too small. Please look at the upcoming events listed below to see where we will be in the upcoming days and weeks, we look forward to spending time with you helping our community grow.
