## This Week: Bob Gerard - Everts Memorial Archives!

**Retired Fire Chief Bob Gerard**, now President of the **Everts Memorial Archives** board right here in Madison, will speak to us this Thursday. Bob became very deeply involved in local history in 2007, when he compiled newspaper clips and photographs for a book commemorating the 100th anniversary of his department, the Madison Hose Company No. 1.

He did much of his research at the Charlotte L. Everts Memorial Archives, in Madison's Memorial Town Hall. He joined the archives' board the next year and is now its president.

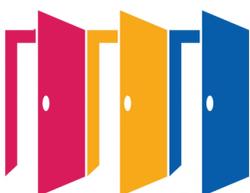

In a way, Bob says, his day job, as a licensed land surveyor has helped train him for projects like the Pavelka presentation on a local hero, both in terms of research and in terms of public speaking.

**A warm welcome to our Club Bob Gerard!**
