Picnic Summary 8/3/2022

By Debbie Delorimiere on Friday, August 5, 2022

It was a spectacular evening for the EREY picnic. Attendees got a head start on their Every Rotarian Every Year account contribution with the \$15.00 donation for an exceptional dinner hosted by Presidents Linda and Michael Barnett. Thank you to everyone who contributed sides to compliment the grilling skills of our hosts. The Barnett grandchildren, Julia and Cole, did a great job of decorating the tables in a seaside theme with seaglass and shells. Julia also provided everyone with fun Rotary tattoos. Deb Fountain, auctioneer extraordinaire, tempted everyone with gift certificates and lottery tickets to raise a few more EREY dollars. Good friends, good food, and a good cause.

EREY PICNIC

This Wednesday's guest is Dr. Alaina King. Keep an eye on the Calendar, we have many interesting speakers scheduled, including the Rotary Zone Foundation Coordinator, and an official visit from Governor Tari.

If you'll be at this Wednesday's meeting, please consider bringing a cleaning product to be donated to Safe Futures. Contributions will be dropped off on Thursday. Thanks so much!

Call for donations!
To provide for the immediate needs of clients moving into new homes and shelter programs, we are looking for donations of the the following items:

- all purpose cleaner
- bleach and vinegar
- dishwashing detergent
- toilet bowl cleaner
- mops and plastic buckets

Drop off times are Tuesdays and Thursdays from 10AM-2PM at 16 Jay Street, New London. For additional drop off times, please email snoyes@safefuturesct.org to schedule an appointment. Thank you in advance!
