| 12/27/2023 | NO Meeting Today | Happy Holidays and Happy New Year! |

11/8 MEETING = Important = VETERANS Luncheon

Reminder to arrive and be seated early as the meeting will start at 12 sharp. We have a full agenda and 26 veteran guests.

=Helpful would be having your lunch money in exact change or a check already written out.

=Please show patience to our fabulous waitress, Kathy, as she will be attempting to serve all of us as quickly as possible (along with a few extras helping).

LAST WEEKEND #peopleofaction

It was a busy weekend as club members helped pick up the garden beds at the East Lyme Giving Garden and then picked up their Lyman Orchard pie orders.

SOTM and 45 Years Ago

Before Tom Thibault could present his Student of the Month, President Deb Fountain presented him with a certificate honoring his 45-year anniversary with the Niantic Rotary.

The ELHS Social Studies Department has selected Cecile Horst as our Rotary Student of the Month of November, 2023-24 school year. Cecile Horst is a wonderful student who seeks both knowledge and experience, and she is an incredibly hard worker, a wonderful collaborator, and leader, with maturity and perseverance beyond her years. In and out of class, she exemplifies work ethic and collaboration- seen in her work in rigorous courses and as an editor of the school paper, as co-captain of the rowing team, and as a director and teacher in local racial equity groups and the Southeastern Connecticut Chinese School. She is committed to learning and to service, and is a true asset to East Lyme High School and her community.

All Hands On Deck! We are partnering with Monaco Ford Niantic to conduct a food drive to benefit Care & Share. We are excited about this opportunity to support one of our major raffle donors from last year. Let's come through for them by showing up to support them, and Care & Share. Carve out some time to visit!
