I am proud to announce that Rotary International will commit an additional \$150 million to the Global Polio Eradication Initiative. We want this to be the start of a massive funding effort to reach the initiative's \$4.8 billion goal.

— JENNIFER JONES
PRESIDENT, ROTARY INTERNATIONAL

Some 20 million people are walking today who would have been paralyzed if not for the polio program's efforts to deliver vaccines to children around the world. BUT there is still work to be done. Now is the time to [#EndPolio](https://www.endpolio.org/) and avoid reversing the progress we've made.

Vaccines have prevented about 10 million deaths from disease since 1963, researchers estimate. Rotary members know the power of vaccination well: The oral polio vaccine has helped bring cases of wild polio down 99.9 percent since 1988, with the virus remaining endemic in only two countries today. And now, as COVID-19 vaccines are being distributed around the world, the experience and knowledge that Rotary and its partners in the Global Polio Eradication Initiative have gained are helping protect communities from the pandemic.

Rotary members are getting involved in supporting the COVID-19 vaccine rollout in some of the same ways they've been working to end polio — by raising awareness for vaccination in their communities, supporting health workers, combating misinformation and vaccine hesitancy, and advocating for fair and equal vaccine distribution in vulnerable communities.

#COVID19 reminds us that disease outbreaks anywhere can be a threat everywhere. Efforts to eradicate polio and eliminate malaria can inform how we tackle existing and future pandemics. That's why [Rotary International](https://www.rotary.org/) is more committed than ever to ending the threat of polio for every child, everywhere.

Highlights from our Last Meeting

Our last meeting was held at the Bowling Club President Joh told us about her recent trip to Vietnam and her visit to a Rotary Club AND our members had a GOOD FEED!!
