**1st., 3rd and 5th Mondays of the month**

Last Monday was our first meeting back at the Kingswood Bowling Club.

The meeting room does not have the noise of the other venues and there is plenty big enough to accommodate larger functions.

*Raffle Winners*

A number of us took advantage of joining the club. Membership is \$10 for 3 years, food and drinks are discounted. When you go to the bar for a drink, they give you a \$5 off for being a new member.

The food tastes good and there's plenty to choose from

Last meeting was also our official visit from our District Governor, Christine Owen. We have been blessed with some very down to earth DG's in recent time, and Christine is no exception.

She informed us about changes happening within the Rotary organisation and encouraged us to apply for a District Grant and explained some of the pitfalls we need to be careful of regarding our insurances.

The District Conference is being held on the 15th & 16th March next year on the Central Coast. Already a number of our members

### WELCOME Our New Member: ROB RIMMER

Our newest member, Rob Rimmer was inducted into the Club by District Governor Christine Owen

*Heather Fulker*

**VALE**

There will be a "Celebration of Heather's life" on Tuesday, 12th Sept at 10:00 a.m. at the Kingswood Bowling Club

The Rotary BBQ Team last month working together at Harvey Norman

# The Great Rotary Whitewater Duck Race

Everything is in readiness for the Great Rotary Whitewater Duck Race, with over 6,000 ducks now registered by their owners to compete on the BIG day.

Over the last two weeks the Rotary Duck Groomers have been busy checking that every duck is fully fit to race. Firstly polishing them to make sure there is no resistance gliding through the water and removing their old race numbers. Then last Saturday the new numbers were placed on the ducks under carriage.

There now ready for the big day.
